

Top-ranked 2-ear general management programme, #6 worldwide (Financial Times and The Economist 2024).

Innovative teaching, based on case studies, group projects and lectures provided by faculty and executives from ESCP's corporate partners, give students all the skills the need to enter the job market.

ACADEMIC OFFER

The Summer semester is an intensive 4-week study programme held from early June to mid-July (for a maximum of 20 ECTS).

From a selection of approximately 15 to 20 electives, taught in English, we provide a stimulating environment for students to develop their skills and knowledge.

Here are examples of courses offered in previous years:
Marketing Research, International Marketing Decisions, International Business Management, Seminar: Problem-Solving, Decision-Making and Effective Communication, Negotiation Bootcamp, Advanced Micro-economics, Art Thinking...

APPLICATIONS

To apply, students should be nominated by their University and enrol in the exchange programme through the online application process.
